

## The 1<sup>st</sup> KIM-CSM Symposium

- 2018. 10. 25
- Daejeon Convention Center (DCC)

We are pleased to announce the 1<sup>st</sup> KIM-CSM Symposium, which will be held during the 2018 fall meeting of KIM (The Korean Institute of Metals and Materials). The purpose of KIM-CSM joint symposium is to make new chance to discuss ideas on materials development for Chinese and Korean scientists and researchers.

This first symposium will focus on the topic of light weight materials development and application in both countries. We assure that you will find your participation a rewarding experience for broadening academic knowledge and for serving your personal needs.

### Program

The representative for KIM and CSM will collect papers. Titles of presentation will be announced before the 1<sup>st</sup> of Aug.

### Registration Fee

Presenters will receive a registration fee exemption. General registration fee is 230,000 won including 3 days admission for technical sessions, 3 lunches and 1 dinner.

### Accommodation

Hotel information will be provided through KIM webpage.
